New Award

TITLE OF AWARD: _____

Description of Award: Bursary or Scholarship

Award will be given annually in the amount of \$ _____ for PSS PMSS Divided between each school

NOTES:

1. Student applications are submitted to the Penticton Secondary Schools Bursary and Scholarship Foundation:
 - a. Students must be Canadian Citizens or Permanent Residents.
 - b. Students must be taking a full course load or submit a letter of explanation to receive a pro-rated portion of the award. Students who fail to complete the year may be required to repay the award.
 - c. The recipient for this award will be chosen by the School Selection Committee of the Foundation and the donor of the award will receive the name of the recipient before the award is given.
 - d. The student must attend a government accredited public institution (such as university, college, or institutions of trade and technology), the first year upon graduation (September or January) or forfeit the award unless unusual circumstances prevail, and deferral is approved by the Penticton Secondary Schools Bursary and Scholarship Foundation.
 - e. The award money will only be released after the student has submitted to the Foundation proof of registration and receipt for fees paid from the post secondary institution.
 - f. If there is no suitable candidate, then the Award will be _____.
2. The award will be presented to the recipient by the donor or duly authorized representative at the school’s annual Commencement Exercises (Dates TBA)
3. The funds should be sent to the Foundation by February of each year. The cheque should be sent to the address below directed to ‘Awards Chairman’. An Income Tax Receipt will be issued to the donor.

The signature below indicates acceptance of these guidelines of the Penticton Secondary Schools Bursary and Scholarship Foundation and the funds for this award will be forthcoming for the academic year (2021-2022).
